The training seminar is being organised within the framework of the participation of the Ministry of the Interior (Sector Macedonia and Thrace) as project beneficiary in the ALTER TRIP project "Alternative Touristic Experience | Alternative Tourism Experience" and aims to improve the capacities of all interested parties (tour guides, public officials, NGOs, specialized staff, workers in cultural and national heritage monuments, etc.) regarding the best practices related to the proper use of infrastructure for easy access of people with mobility problems in public spaces (places of cultural and national heritage), as well as to the provision of services to people with disabilities.

The "ALTER TRIP" project is co-financed by the European Union and by national funds of the participating countries within the framework of the Program IPA-CBC Greece - Republic of North Macedonia 2014-2020.
